

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 28, 1996

SUBJECT: **SB 2682**

This bill, if enacted, will require printed contract forms used for the purchase or lease of products extracted either from the earth or from beneath the earth to be printed in a type size of fifteen (15) point rather than ten (10) point type.

The fiscal impact from enactment of this bill is estimated to be minimal.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is written in a cursive, flowing style.
